

DMCA INFORMATION

Gay Porn Pictures respects the intellectual property rights of others and expects its users to do the same. It is the policy of Gay Porn Pictures to respond to valid notices of alleged copyright infringement in accordance with applicable law and to take appropriate actions, which may include removing or disabling access to material claimed to be infringing, and in appropriate circumstances, terminating the accounts of repeat infringers. Gay Porn Pictures reserves the right, at its sole discretion, to remove any content alleged to infringe without prior notice and without liability to the user. Gay Porn Pictures also reserves the right not to restore such content unless legally obligated.

If you believe that your copyrighted work has been used on the Gay Porn Pictures website in a way that constitutes copyright infringement, you must submit a written notice. This notice must include your physical or electronic signature, the identification of the copyrighted work you claim has been infringed, or a representative list if multiple works are involved, and a clear description of the material that you believe is infringing, together with enough information to locate it on the website. Your notice must also include your full name, address, telephone number, and email address, together with a statement confirming that you have a good-faith belief that the disputed use is not authorized by the copyright owner, its agent, or the law.

Finally, you must declare under penalty of perjury that information contained in your notice is accurate and that you are authorized to act on behalf of the owner of the copyright that has allegedly been infringed. All claims of copyright infringement relating to content on Gay Porn Pictures should be submitted through the designated Copyright Contact Form available on the website. Gay Porn Pictures will review all valid complaints and, where appropriate, take down the reported content.

Please note that under applicable copyright law, including Section 512(f) of the Digital Millennium Copyright Act, any person who knowingly misrepresents that material or activity is infringing may be held liable. Gay Porn Pictures will not be held responsible for false, misleading, or abusive notices and reserves the right to pursue all remedies available against parties who misuse the takedown process. The website does not host or condone illegal content. We will make reasonable efforts to investigate valid copyright complaints, remove infringing material where appropriate, and take action against violators.

If content has been removed from Gay Porn Pictures as a result of a copyright complaint and you believe that the material was removed in error or that you have the legal right to use the material, you may submit a counter-notice. A valid counter-notice must include your physical or electronic signature, identification of the content that has been removed and the location where it previously appeared, and a statement made under penalty of perjury that you have a good-faith belief that the material was removed as a result of mistake or misidentification. You must also provide your full name, address, telephone number, and email address, together with a statement consenting to the jurisdiction of a competent court of law and agreeing to accept service of process from the party who filed the original copyright complaint or an authorized agent of that party. Upon receipt of a valid counter-notice, Gay Porn Pictures may forward a copy to the original complaining party to inform them that the removed content may be restored after a specific period of time, unless the complaining party notifies Gay Porn Pictures that it has filed a legal action seeking a court order to restrain you from engaging in infringing activity related to the material in question. Gay Porn Pictures reserves the right not to restore material at its sole discretion, even after a valid counter-notice, unless legally required to do so. Gay Porn Pictures does not mediate disputes between copyright holders and users. By submitting a counter-notice, you accept full responsibility for the statements you make, and you acknowledge that you may be subject to legal consequences if your counter-notice is found to be false, misleading, or abusive.
